

Grants to individuals - HQ summary analysis*

1. Demand for grants to individuals

Grant enquiries have increased exponentially since the onset of the pandemic – this trend has continued and is further highlighted in the graph below:

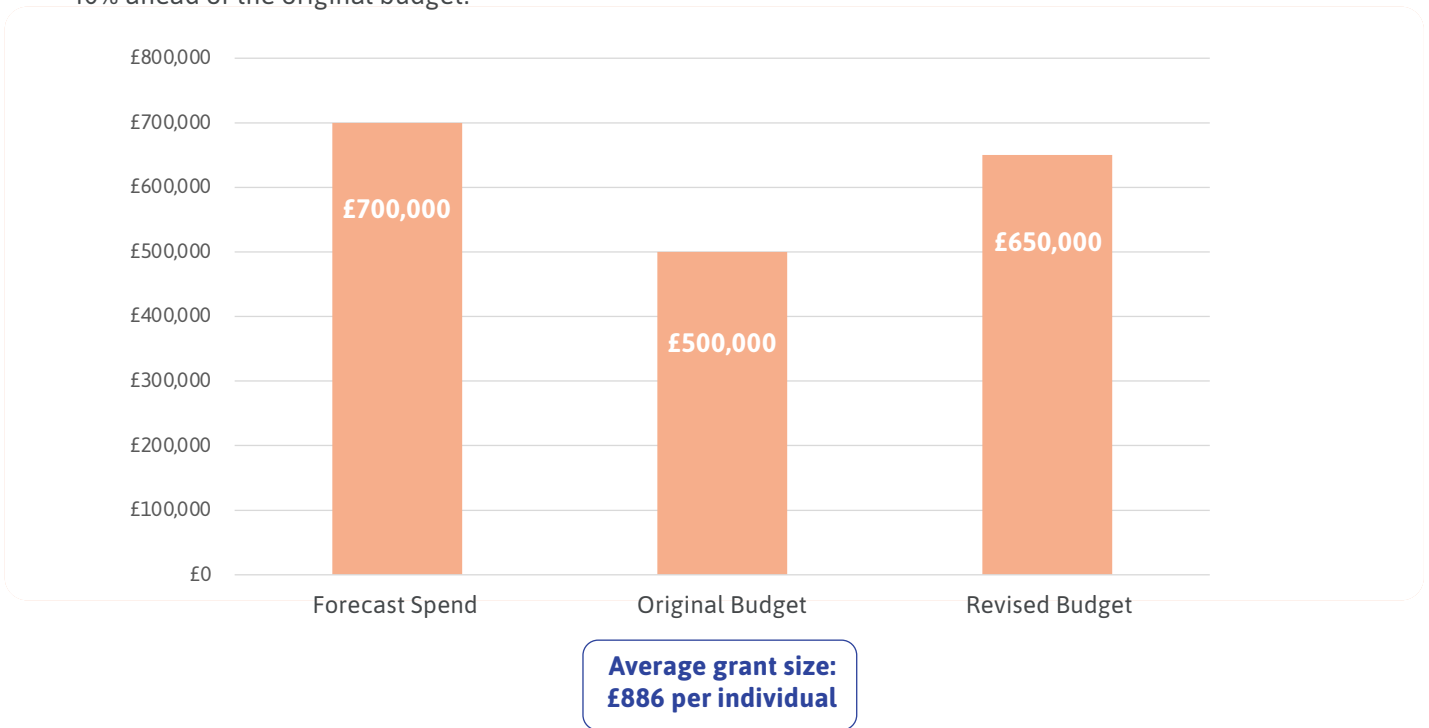

2. Grant enquiries year to year

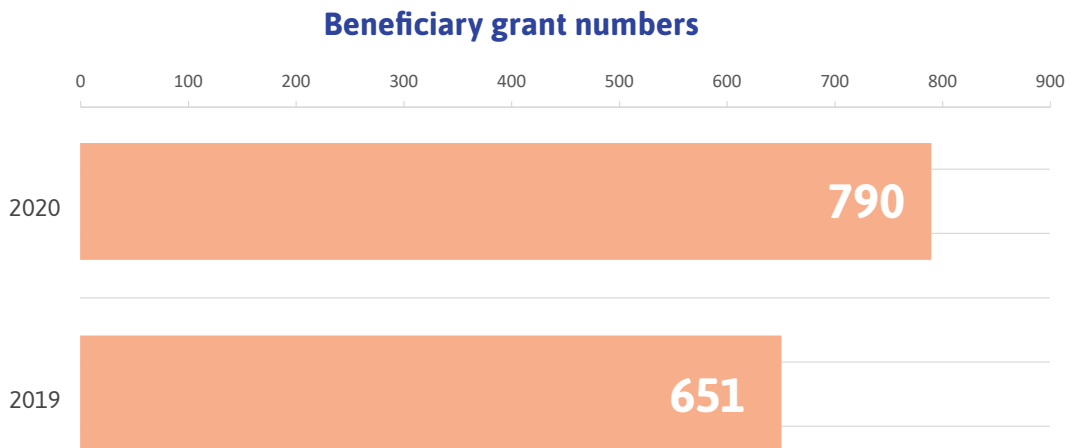

Grants to individuals - HQ summary analysis*

3. Grant awards to individuals from HQ

Due to need and demand, grant payments are 8% ahead of the revised COVID adjusted budget and 40% ahead of the original budget:

4. Number of grants to individuals

* All figures in this paper relate to direct individual grants administered from HQ. Analysis of grants to individuals distributed through community grant partners will be provided in early 2021.
